

Weekday Worship: opportunity and changes

THURSDAY NOON PRAYER is on recess as leaders' schedules have changed and no one has emerged who can commit to regular leadership. We hope to restore Thursday prayers as a later time.

WEDNESDAY NOON MASS will only be offered once in July, on the first Wednesday (July 7), the Walsingham day. Weekly Wednesday Mass will return in August.

TUESDAY AND FRIDAY NOON PRAYER AND "CENTERING" PRAYER continue uninterrupted throughout the summer.

Our weekday worship is a great gift to the parish and to the larger community. The neighborhood hears our bell rung at the ancient "Angelus" Noon hour for prayer and many know why. Episcopalians from other parishes, out-of-town travelers who are drawn to the Celtic tradition, and people coming to the church for appointments are all among those whom we see for weekday prayer. Several committed parish members first came to and experienced SSPP through the noon prayers. If you can find or make the time at noon, stop by and refresh your soul!
